Two-Year Colleges: Associate Degree Preferred!

Do you know that nearly 50 percent of all undergraduate college students begin their studies at a two-year college? Two-year colleges offer:

- Academic Excellence
- Quality Faculty and Staff
- Affordable Cost
- Classes Close to Home
- Variety of Programs
- Outstanding Support Services (Financial Aid, Counseling, Tutoring, etc.)
- Personal Attention
- State-of-the-Art Equipment and Facilities
- Caring Environment
- Small Classes
- Collegiate Environment (Student Clubs, Activities, and Sports)
- Ability to Transfer Credits
- Programs Accredited by North Central Association of Colleges and Schools

Ohio's two-year college system is made up of 23 state-assisted and locally autonomous technical and community colleges. In recent years, over 200,000 students have enrolled in college credit courses at these institutions throughout Ohio.

Two-year colleges consist of three types: technical, state community, and community. Technical colleges provide hands-on education in a specific field. Many technical college graduates transfer to baccalaureate programs. Both state community and community colleges offer technical programs and university parallel programs providing students with a variety of options.

Students who choose to begin their college careers at a two-year college cite quality of education and reasonable cost as the main benefits. Completing the first two years of a bachelor's degree at a two-year college can save the student several thousand dollars. A variety of technical, career-oriented degrees offered by two-year colleges can lead to employment immediately after the student completes his/her associate degree.

This guide provides an up-to-date directory of programs and services offered by Ohio's system of technical and community colleges. We hope you find it helpful!

Belmont College

68094 Hammond Road, St. Clairsville, Ohio 43950-9735

Profile: Belmont College offers more than 25 degrees and 20 certificate programs. In addition, the Workforce Development and Community Education Department offers classes for those seeking a specific skill set without the extended time commitment of completing a degree. Belmont College offers credit and non-credit programming at the Main Campus in St. Clairsville, Ohio. The College also has off-campus locations in Cadiz and Woodsfield, Ohio, as well as online classes.

Accreditation: Higher Learning Commission of the North Central Association of Colleges and Schools

Admissions Phone: 740.695.9500; **Toll Free:** 1.800.423.1188;
Fax Number: 740.699.3049; **Harrison County Center:** 740.942.2222;
Monroe County Center: 740.472.5468; **Email:**
admissions@belmontcollege.edu; **Website:** www.belmontcollege.edu

Academic Calendar: Semester, rolling admission.

Degrees Offered: Associate of Applied Science; Associate of Applied Business; Associate of Technical Study; Associate of Arts; and Associate of Science.

Transfer Module: Ohio Department of Higher Education approved. Over thirty 2+2 and 3+1 transfer and articulation agreements with four-year institutions.

State of Ohio Transfer

The Ohio Board of Regents, following the directive of the Ohio General Assembly, has developed a statewide policy to facilitate movement of students and transfer credits from one Ohio public college or university to another. The purpose of the State Policy is to avoid duplication of course requirements and to enhance student mobility throughout Ohio's higher education system. Since independent colleges and universities in Ohio may or may not be participating in the transfer policy, students interested in transferring to an independent institution are encouraged to check with the college or university of their choice regarding transfer agreements.

The Ohio Board of Regents' Transfer and Articulation policy established the Transfer Module, which is a specific subset or the entire set of a college or university's general education requirements. The Transfer Module contains 36-40 semester hours of specified course credits in English composition, mathematics, fine arts, humanities, social science, behavioral science, natural science, physical science, and interdisciplinary course work. A transfer module completed at one college or university will automatically meet the requirements of the transfer module at the receiving institution, once the student is accepted. Students may be required, however, to meet additional general education requirements that are not included in the Transfer Module.

Bowling Green State University Firelands Campus

One University Drive, Huron, OH 44839

Accreditation: Higher Learning Commission of the North Central Association of Colleges and Schools

Admission Phone: 740-533-4600; **Email:** southern@ohio.edu; **Website:** Ohio.edu/southern

Enrollment Information: In fall 2019, nearly 2,300 students were served at Ohio University Southern. Although most of the students reside in Lawrence County, the campus draws students from 41 Ohio counties, Kentucky and West Virginia.

Academic Calendar: Semester, rolling admission.

Degrees Offered: Some degrees offered include Associate in Arts, Associate in Electronic Media, Associate in Nursing, Bachelor of Communications Studies, Bachelor of Social Work, Bachelor of Nursing, Bachelor of Technical and Applied Studies and Bachelor of Early Childhood Education.

Transfer Module: Ohio Department of Higher Education approved.

Admission Requirements: High school transcript or GED, placement assessment and application with \$20 application fee. As a regional campus, Ohio University Southern makes higher education accessible to all students in our local communities through open enrollment, with no ACT required. However, ACT scores over 21 may qualify for merit scholarships and scores may be required for certain programs. Certain programs may also have additional admission requirements.

Office Hours: Monday-Friday, 8am to 5pm

Admissions Staff: Robert Pleasant, associate director of student resource commons; Oreatha Murray, recruiter; Jacki Adkins, assistant director of student services and financial aid/scholarship coordinator.

Special Services: Support services available for veterans and students with disabilities. Academic and merit scholarships available. Career services and e-tutoring services are available.

College Credit Plus (CCP) Requirements: Students in 7th through 12th grade who have provided a signed letter of intent to their school are eligible to apply. Students must be able to demonstrate college readiness, provide official transcripts, and attend orientation and advising sessions. Students must satisfy course requisites for course registration. For more information: www.ohio.edu/dualenrollment

Annual Expenses: New undergraduate, degree-seeking, Ohio resident students who begin in fall 2021 or spring 2022 and enroll full-time in courses offered through OHIO's regional campuses, will pay \$2,887 per semester through The OHIO Guarantee. For more information visit ohio.edu/bursar/guarantee-21-22

Financial Aid: Complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. OHIO Southern school code: 003103.
